

STAKEHOLDER ENGAGEMENT

Building Partnerships. Strengthening Schools. Supporting Student Success.

Stakeholder engagement is the intentional process of involving individuals and groups who have an interest in or impact on a school's success. When stakeholders are informed, heard, and valued, we build stronger connections and better outcomes for students.

WHO ARE STAKEHOLDERS?

Students

Families & Caregivers

School Staff & Administrators

Community Partners

Tribal Nations & Cultural Leaders

Local Leaders & Organizations

WHY IT MATTERS

- ✓ Builds trust and stronger relationships
- ✓ Improves communication and transparency
- ✓ Increases shared ownership and accountability
- ✓ Leads to better decisions and solutions
- ✓ Supports a positive school culture

EFFECTIVE STAKEHOLDER ENGAGEMENT

Listen Actively

Value different perspectives.

Communicate Clearly

Share information in meaningful ways.

Collaborate

Involve stakeholders in planning and decision-making.

Be Inclusive

Ensure all voices are invited and respected.

Follow Through

Take action and report back on progress.

WAYS TO ENGAGE

- Surveys and feedback
- Advisory councils and committees
- Family nights and community events
- Focus groups and listening sessions
- Regular updates via newsletters, websites, and social media
- Partnerships with local organizations and Tribal Nations

Stronger Together

When we engage together, we create schools where every student feels supported, every voice matters, and every community thrives.
