

Hello friends!

Harvest Festival User Group Meetings bring Montana's Infinite Campus community together for practical learning, product updates, collaboration, networking, and plenty of fun—all presented by **School Services of Montana** in partnership with the **Montana OPI EDUCATE Unit**.

Join us this September for two days of practical learning, collaboration, and networking with Infinite Campus users from across Montana. Whether you're looking to strengthen your knowledge of State Reporting, Future Ready initiatives, Standards-Based Grading, Career & Technical Education, Security, or simply want dedicated working time with the SSoM team, there's something for everyone.

 **Choose the location that works best for you:**

- **Billings:** September 21–22, 2026
- **Missoula:** September 23–24, 2026
