

WORK SHEET

Module 6.1

Driver Distractions

Group # _____

Date _____

Participants Names: _____

Use the bullet list below to identify the actions students have seen while riding in a vehicle with another driver and how the driver's action made the student feel about his/her safety. Determine the risk ranking for each behavior. Share the group's response with the class.

Driver Behavior	Rank the Risk from 1 to 5: 1 is the least dangerous; 5 is the most dangerous
CELL PHONE / HANDHELD DEVICE	
• Dialing or answering	
• Talking/listening	
• Texting
