

STUDENT ENGAGEMENT. STRONGER ATTENDANCE.

Bright Futures!

When students are engaged and attend school regularly, they learn more, feel connected, and build the skills they need for a bright future.

WHY ENGAGEMENT MATTERS

BETTER LEARNING

Engaged students understand more, remember more, and achieve more.

STRONGER CONNECTIONS

Students build friendships and feel like they belong.

MORE CONFIDENCE

Participation helps students build confidence and self-esteem.

FUTURE READY

Good attendance and engagement today lead to more opportunities tomorrow.

STRONGER COMMUNITIES

When students succeed, our schools and communities thrive.

THE IMPACT OF MISSING SCHOOL

Absences add up! Missing just a few days a month can make a big difference.

Students with good attendance in elementary school are more likely to read on grade level, stay engaged in middle school, and graduate from high school.

ATTEND TODAY, ACHIEVE TOMORROW!

WHAT ENGAGEMENT LOOKS LIKE

I belong at school.

I participate in class.

I set goals and challenge myself.

I explore my interests and strengths.

I am present, prepared, and ready to learn.

TOGETHER, WE CAN SUPPORT STUDENT SUCCESS

FAMILIES

Encourage daily attendance, routines, and positive attitudes about school.

STUDENTS

Show up, be engaged, and make the most of every day.

SCHOOLS

Create safe, welcoming classrooms where students thrive.

COMMUNITY

Work together to remove barriers and celebrate success.
