

2027 Montana Teacher of the Year

Program Information and Application Instructions

The mission of the Montana Teacher of the Year program is to elevate student success by empowering classroom innovation and enhancing pathways to teacher leadership.

- The TOY program elevates student success by celebrating teachers who honor individual student strengths and each child's unique abilities.
- The TOY program empowers classroom innovation by recognizing teachers who are responsive to the complex realities that define Montana's diverse and unique classrooms across the state.
- The TOY program enhances pathways to teacher leadership by creating teacher ambassadors at the local, state, and national levels to connect classrooms to the community.

Selection Process

The MT TOY Program is part of the National Teacher of the Year Program conducted by the Council of Chief State School Officers (CCSSO), of which Montana's Superintendent of Public Instruction is a member.

Diverse statewide selection committees review and interview applicants to determine the finalists and ultimately the Montana TOY who then competes at the national level to become CCSSO's National TOY. For more information on the National TOY, please visit: <https://www.ccsso.org/national-teacher-of-the-year>.

All active Montana K-12 teachers who are making a positive difference for students in their community are encouraged to apply.

Teachers can self-nominate by filling out an application or any member of the public can fill out a nomination form for a Montana teacher they feel is qualified. The OPI will then reach out to the nominated teacher and ask that they complete an application.

- [Nomination forms](#) are due to the OPI MT TOY committee by July 17, 2026.
- Applications are due by August 13, 2026.
- Complete applications must be emailed to MTTOY@mt.gov
